iBounce™ Kids Trampoline Owner's Manual

Assembly, Installation, Care, Maintenance, and Use
Instructions

WARNING

Read these materials prior to assembling and using this trampoline

DO NOT attempt or allow somersaults. Landing on the head or neck can cause serious injury, paralysis or death, even when landing in the middle of the bed.

DO NOT allow more than one person on the trampoline. Use by more than one person at the same time can result in serious injury.

Use trampoline only with mature, knowledgeable supervision.

Retain address information for future use.

JumpSport, Inc.
2055 South 7th Street, Suite A
San Jose, CA 95112 U.S.A.

Intended for children ages 3 and older.
The maximum user weight is 75 pounds.

1-888-567-5867
www.jumpsport.com

IMPORTANT: READ FIRST

This product is intended for use by children ages 3 and older, weighing less than 75 lbs.

1. **⚠ WARNING:** Users should consult with a physician before beginning any exercise or conditioning program.
2. If user feels faint or dizzy, or any pain or severe discomfort, immediately stop using the trampoline.
3. Avoid bouncing when tired. Take breaks often.
4. Users should drink water at regular intervals to remain hydrated.
5. Use only in a well lit area, and only on level, cushioned surfaces (for instance, on carpeting). Only use trampoline when it is dry.
6. Keep away from objects which could interfere with safe use. Remove obstructions (such as balls or toys) underneath, above, or around the trampoline. Leave adequate lateral and overhead clearance around the trampoline (avoid furniture, lamps, walls, windows, toys, other trampolines, etc.). Leave at least 6 feet from the frame edge.
7. Inspect trampoline before each use. Replace, tighten, or adjust any loose, worn, defective, or missing parts.
8. Do not allow users to jump on and off the trampoline. Do not use the trampoline as a springboard to or from other objects. Do not step on the frame or hold onto the handle when getting on and off the trampoline. The handle is designed for use only while jumping. If a child needs assistance, the supervising adult should hold the child's hand(s) while the child gets on or off the trampoline.
9. The child (user) should wear no obstructions while on the trampoline (jewelry, necklaces, earrings, etc) that can prevent free movement.
10. Stop bounce by flexing knees as feet come in contact with the trampoline bed. Control is more important than bounce height.
11. Store and protect trampoline from unauthorized use.
12. For additional information, contact us at JumpSport.com or 1-888-567-5867.

ESSENTIAL INFORMATION

1. Misuse and abuse of this trampoline is dangerous and can cause injuries.
2. All purchasers or persons assembling this trampoline must become familiar with the manufacturer's recommendations for the proper assembly, use, and care of this trampoline. If the assembler has any questions about the assembly instructions, he or she is highly recommended to contact our customer service department prior to continuing assembly of the trampoline.
3. It is the RESPONSIBILITY of the owner of this trampoline to insure that only ONE CHILD at a time is on the trampoline, and that child is supervised and informed of all warnings and safety instructions.
4. Adult assembly required for this trampoline.

It is the responsibility of the purchaser and of anyone who is supervising children who use this product to become familiar with all of the information in this booklet, to convey the warnings to all users, and to enforce JumpSport's rules for safe use.

Assembly and Installation Instructions

⚠ WARNING: Adult assembly required. Product includes small parts and sharp points in an unassembled state. Keep unassembled parts away from children under 3 years of age.

Tools

Installation of the iBounce Kids Trampoline **requires a 5mm Allen wrench (included).**

5mm Allen wrench
Ref. #1

Parts List

Reference #	Part #	Description	Quantity
1	TOO-P-10159-00	5mm Allen wrench	1
2	TUB-A-20520-00	Frame piece	3
3	SPA-P-20470-00	Frame spacer	3
4	BOL-P-20476-00	M6 carriage bolt	13
5	NUT-P-20415-00	M6 cap nut	13
6	WAS-P-20482-00	M8 washer	13
7	TUB-A-20518-00	Left handle piece	1
8	TUB-A-20519-00	Right handle piece	1
9	SPA-P-20471-00	Upper handle spacer	1
10	SPA-P-20472-00	Lower handle spacer	1
11	PLA-P-20475-00	Handle plate	2
12	MAT-P-20477-01	Mat	1
13	BUN-P-20819-00	Mat bungee	21
14	PAD-P-20508-00	Skirt	1
15	SPA-P-20637-00	Handle Cross Bar	1
16	HAN-P-20478-00	Handle Grip	2

1) Assemble all 3 corners of the triangular frame. *M6 bolts should only be hand-tight.* They will be securely tightened in a later step.

Note: Only install the **top** bolt, cap nut, and washer on 1 of the 3 corners of the frame. For the other 2 corners, install all 3 bolts, cap nuts, and washers.

Assembly and Installation Instructions

CAUTION

Avoid Injury.
Handle is not designed to support your entire weight. It is to aid with balance only while jumping. Do not hold onto handle while getting on or off the trampoline.

2) Assemble the handle, as shown, starting by sliding the **handle crossbar** over the right and left handle pieces. When completed, you will have a "handle assembly". M6 bolts should only be hand-tight. They will be securely tightened in a later step.

Assembly and Installation Instructions

3) Secure handle assembly to frame, first positioning the assembly in place, then installing the 2 bolts as shown. **The handle assembly installs on the frame corner where you installed only the top bolt from Step 1.** M6 bolts should only be hand-tight. They will be securely tightened in a later step.

4) Position mat face up on ground, in center of trampoline. Top of mat edge will be smooth, and bottom edge will have a layer of material sewn to it. Attach the mat to a corner by inserting one mat bungee through the corner mat loop, looping around the front of the leg and then securing over the ball end as shown. Repeat for all three corners. **Make sure mat is pulled tight, and centered.**

(View from underneath trampoline)

A)

B)

C)

D)

6) Now install the remaining mat bungees on the sides of the mat. Install the first bungee in the middle of one side of the trampoline by sliding it through the mat loop, lacing around the top of the frame, and looping over the ball end. Continue installing bungees around the trampoline in one direction until all 18 remaining bungees are installed. Make sure the tension on each bungee is spread evenly across each frame piece to allow the mat to be centered and the bungees to wear evenly.

Now securely tighten all M6 bolts everywhere on the trampoline, including the upper handle assembly, using the included 5mm Allen Wrench.

7) Open the slit in skirt held by hook and loop fasteners. Then wrap skirt around frame and close slit around the handle to secure the skirt in place.

8) Lay trampoline on its side. Then on inside of skirt, secure bungee ties to the frame pieces:

- Position the 3 corner bungees with knots so that the knot is secured in-between the bottom of each of the frame feet, as shown.
- Secure the skirt with the 2 sewn-on bungee ties, each about 1/3 of the way across each frame piece.
- Be sure to **loosely** tie each bungee around the frame so that the skirt has room to move while the trampoline is being used. Repeat for all 3 sides.
- Stand trampoline back upright.

Removing the Handle Bar for Transportation or Storage

9) Reverse step 3 in the beginning of manual

- Please Note: DO NOT REMOVE THE UPPER BOLT THAT DOES NOT PASS THOROUGH THE HANDLE ATTACHMENT PLATES.

The JumpSport iBounce Kids Trampoline is now ready for use!

JumpSport®

90 Day Limited Warranty

What is covered by this warranty? This warranty covers any defects in materials or workmanship on all of the components of the JumpSport iBounce Kids Trampoline, and is extended exclusively to the original retail purchaser.

How long does this coverage last? Warranty coverage for each component begins from the original date of purchase and lasts for 90 days.

What will JumpSport do? If you return the defective part to JumpSport, as instructed below, JumpSport will either repair or replace such part, at JumpSport's discretion, and return it to you.

What is not covered by this warranty? This warranty does not cover expenses of on-site labor, shipping costs, travel, assembly or disassembly, or other charges associated with the repair or replacement of covered components. This warranty also does not cover any problem that is caused by abuse, misuse, commercial or public use, ordinary wear and tear, outdoor use, weathering, acts of God (such as wind and lightning), failure to follow directions, improper installation, improper maintenance, or any silk screened graphics. Rust is a natural occurrence with any steel product and is likewise not covered by this warranty, to the extent that it does not affect the structural integrity of the part.

JUMPSPORT IS NOT RESPONSIBLE OR LIABLE FOR INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE PRODUCT OR OTHER DAMAGES WITH RESPECT TO ANY LOSS, INCLUDING BUT NOT LIMITED TO ECONOMIC LOSS, LOSS OF PROPERTY, LOSS OF REVENUE OR PROFITS, LOSS OF ENJOYMENT OR USE, COST OF REMOVAL, INSTALLATION OR OTHER CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. ACCORDINGLY, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

THE WARRANTY EXTENDED HEREUNDER IS IN LIEU OF ALL OTHER WARRANTIES AND ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS LIMITED IN ITS SCOPE AND DURATION TO THE TERMS SET FORTH HEREIN. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS. ACCORDINGLY, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

How to get a defective part replaced:

- 1) Call the JumpSport Customer Service department at 1-888-567-5867 to obtain a Return Authorization number. All returns must be pre-authorized.
- 2) Send the part(s) to the designated Service Center, along with a copy of your original sales receipt and a brief written description of the problem, including how it occurred. You must pay freight and insurance to return the part to JumpSport. At JumpSport's sole discretion, we may ask you to send photographs in addition to or in lieu of returning the part.
- 3) After inspecting the returned part(s), JumpSport will make a final determination whether the part is covered by this warranty. We reserve the right to examine photographs or physical evidence concerning parts claimed to be defective prior to making a final determination concerning the claim. A repaired or replacement part will be returned to you. Please allow 3 to 4 weeks for delivery.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.
